LAST MEETING

Our last meeting was on Dec 17. It was a very active meeting that ran over time to fit everything in. We saw Bob Hacket demonstrate jam chucks. We talked about 2 sided tape and donut chucks. Dave Lancaster showed his drum chucks which work with or without a vacuum. John Ramsey brought in his Axminster chuck which I thought was a real nice one. In retrospect the only thing we didn't talk about, one of my personal favorites, was the Oneway screw chuck..

We sold around 22 raffle tickets. If you can't make a meeting and want a ticket call Jim Perry at 832-5313 days or 832-6918 nights.

We had our traditional gift exchange with some very nice items being brought in.

All in all it was an action packed meeting.

WOOD AUCTION

There will NOT be a wood auction this upcoming meeting because of the outside demonstrator.. So store up your stuff for next month.!

Future Meetings

All future meetings will be held at Erskine Academy which is located off route 32 about 1 mile past Dave's road. Look for a cemetery on your LEFT and it's the next right turn just before the school..

Next Meeting

Our next meeting will be on SATURDAY JAN. 17 from 9 to 4.

We are fortunate to have obtained Peter Block to demonstrate how to turn his translucent wooden lamp shades. Peter has been a professional woodworker since 1979 and has been turning since 1983. He founded both the Granite State Woodworkers and the Granite State Woodturners groups. He developed his wood lamp shades over a period of 5 years.

Yes, they are so thin that light shines through. I have heard great things about Peter and am looking forward to this as being a great demo. I hope you will all try to attend!

Library News

If you have any books or videos that you forgot to return please bring them to the next meeting. We are still missing several. They must be somewhere!

RAFFLE

We are going to raffle off 3 Rascal Power visors from the Airway Co. These are the self contained models and cost about \$120- each. Tickets are \$10- for 6 chances. These are great odds to win and get a valuable piece of safety equipment. Tickets can be obtained from Jim Perry at 832-5313 or 832-6918

FOR SALE

Oneway tools chucks etc. can be had from Dave Lancaster. Just call Dave at 445-4758 and he can bring most items to the next meeting. He can order anything that Oneway sells and has many things in stock.

Jumbo jaws to fit Oneway chuck. Just the jaws no chuck. \$40.00
