MEMBER AAW

Last Meeting - Feb. 17,99 Sand paper-sand paper-sand-paper

John Hayden a representative from C.W. Hayden spoke to our club on all aspects abrasives. John informed us on how the sand paper is manufactured the various types and different uses and applications of abrasives. Also John gave out samples of different types of paper that we could try. All in all a very informative meeting and a big thank you, to John for taking his time and sharing his knowledge with our members.

BRING BACK

RAFFLE
Last months raffle was brought in by Larry Lambert and won by "lucky" Larry Lambert. So Larry your on the hook for the raffle, one more time!

WOOD AUCTION

There will be a wood auction this month say's our "auctioneer" Allyn Beecher, so bring in the wood! The money raised at the wood auctions goes toward the national demonstrators and also gives members a chance to turn various kinds of wood at a relatively low cost.

LIBRARY NEWS

Mike has asked for members to return all books and tapes to every meeting. Videotapes

monthly rentals fee is \$3.00 per tape-- books are free. The fee allows us to add new materials. Five new videos have just been added with more on the way-- see Mike at our next meeting.

AAW Grant

The AAW awarded the Maine Woodturners a \$1000.00 educational grant to purchase a lathe and tools. A mini One Way model #1018 has been ordered. Also enclosed for your reading is an article that appears in the latest AAW spring issue and written by Bob Rosand, entitled "a look at the ONE WAY MINI LATHE."

ROCKWELL LATHE

BID FORM

If you were not at last months meeting Erskine Academy has decided to sell one of its 12" Rockwell Wood lathes with motor stand and tool rest. Enclosed is a bid form that should be used when submitting a bid. The bid form has all the rules that will apply, there will be a minimum bid of \$250.00 and bids will be received up to 7:15 PM on March 17 our next meeting date.

NEXT MEETING

MARCH 17th @

Erskine Academy
MAC RAY, from Damariscotta one of our members will demonstrate his carving and finishing techniques. Mac, recently won an award at the Sharon Arts Center Exhibit for "most unique object of the show".

SHOW & TELL

The "show & tell" portion of the meetings seem to continue to be one of the main attraction. So bring in your finished pieces and share your ideas with other members.
