Last meeting went well. We brought in around \$650 in dues, coffee, raffles, and the wood auction. We need to make a small donation to the Cemetery Association for all that beautiful rock maple. We also need to thank, once again, Mac Ray for his great contribution to the association and to his community for cleaning up that giant tree. WE also thank everyone else who donates to the association.

Our demonstrator for September did a wonderful job even though I can't quite remember who it was or what he did.

The Bring Back Raffle was won by Craig Bradley in September. We're all looking forward to see his creation. This is always an interesting part of the meeting. One never knows the extent of the ingenuity of wood turners.

\$ Dues Time

This Month's Meeting — October 16th — 17th
@ ERSKINE ACADEMY 10am to 4pm

Let Us Demonstrate

Just talked to Christian Burchard and he's bringing Madrone burl for members to use for making his spheres and baskets. There will be a charge for the wood and some may be available for purchase in the future. There won't be any pressure to do hands on. If you want to sit back and watch a demonstration great, but there will be time to jump in and grab a gouge if anyone wants to. Christian has offered to donate the pieces he will make while he is here to the association. We will be auctioning them off, so any collectors out there may get a good deal on fancy things. Sunday should have time for more hands on.

October Meeting Demonstrator Christian Burchard

I'll be supplying the food for this demonstration week-end. With the help of a few Woodturners manning the grills and "You know who you are", we'll have some fresh burgers, dogs, salads, and desserts. There will be a \$6.00 charge per day for food. Everyone seemed to love the food at the summer meeting and were going to do it again.

Hope to see you all!!!!!! on the 16th and the 17th for a great time.

Library News

Don't forget to bring in any books or tapes that belong to the association. They can be renewed if you still need them, but it lets Mark know where they are if someone else needs them.

Thanks.

Coming November Newsletter.

Complete list of paid up members of the Maine Wood Turners Association. This was going to be included in this Newsletter but we were given a month grace.

Don't be left out!
