

M March 2000 S

Maine Woodturner

Member AAW

President: **Jeff Clapp** (725-9484) - Vice Pres.: **Bob Hackett** (633-6232) - Treasurer: **Robert Morrell** (725-2212)
Directors: **Steve Gleasner** (785-5410)- **Jim Perry** (832-6918)- **Dave Lancaster** (445-4758)
Librarian: **Mark Irving** (443-2337) - Auctioneer: **Allen Beecher** (525-3522) - Editor: **Burt Truman** (622-6772)

Last months meeting was very interesting. Leave it to David to come up with all kind of new toys. The use of water to lubricate his coring tool was very ingenious. Thanks to David for allowing us all to come over to his shop for the demo. I look forward to the next time he will honor us with another demo. Sorry there weren't any doughnuts at the meeting. I wasn't going to make it because of my daughter, but we came anyway. She had a good time and wants to try turning sometime. I won't forget the food next meeting!

The next meeting will be of interest to all the members. There will be something for everyone. A well known turner and demonstrator Lyle Jamison will be coming for a weekend Demo on the 25th and the 26th of March. The meetings will start at 9:30 on Sat and Sunday morning at Erskine Academy. Lyle will demo on everything from choice of wood to orientations of a piece in the wood for optimum figure and interest. This will include burl and crotch wood. He will show use of most tools from scrapers, skews,

and gouges. He also makes and sells hollowing tools that eliminate the twisting and white knuckles of Ellsworth and Stewart type tool. He will do a lidded box while he is here, a live edge bowl, and a hollow form. He will demo techniques to eliminate catches, how to sharpen and the dynamics of sharpening, and there will be a slide show on style and form. The information will fill up both days, so come for both to get the most out of the weekend.

There will be a small fee for coming to the demo. \$20.00 for one day and that includes food. If you come for two days the cost will be \$30.00 for the weekend and this includes food. This is not to make money for the Association, just help subsidize these demos. I will be supplying the food for the weekend, so it should be good even if I do say so my self. I'm sorry if the cost of the demo is too much for some members, but If we want to have demos like this we need to offset the cost to some extent.

This Month's Meeting — March 25-26
@ Erskine Academy 9:30 am on Saturday
and 9:30 am on Sunday

Let Us Demonstrate

This month's demonstrator is Lyle Jamison.
See the President's message for details.

----->

(Presidents message - continued)

It Should be a great weekend for everyone who attends and I hope to see lots of old and new faces.

Latest news from the AAW: Some concern about duplication of AAW tapes, Please don't do it.

Applications are out for the Symposium in New Hampshire. I can't wait to go. There will be some great demonstrators there. We should car pool if anyone is interested.

Have a great month and I'll see you all at the meeting.

Peter Asselyn is **STILL**
on the hook for the
bring back raffle in
March. Don't forget
Peter. Can't wait to see
what you bring in.

The set-up for this coring tool is
fairly critical, so pay attention.

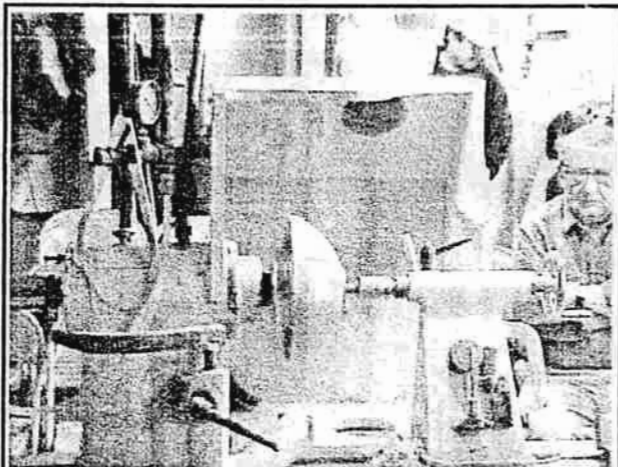

Have you seen my Dad?

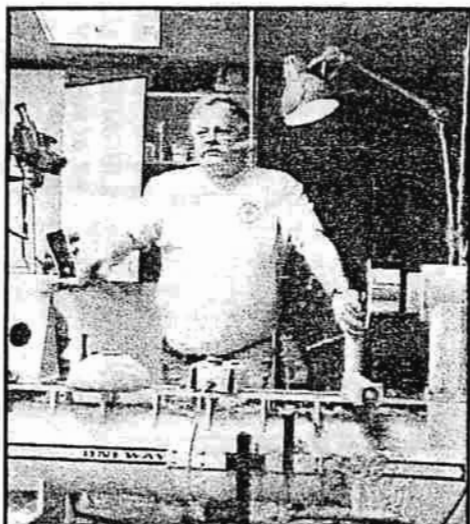

If I push this through, you'd better move.

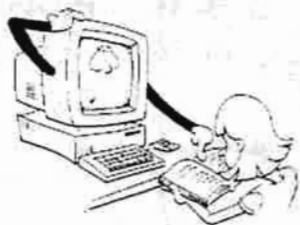

I hope your not serious.

So that's where the dust goes!

Any questions?
